

IOWA ARBORIST ASSOCIATION PRESENTS

Trees and the Law Workshop

Presented by Jim Flott

IBEW Local 55 Hall

1435 NE 54th Ave A

Des Moines, Iowa

August 22nd 2019

8:30am-3:00pm

Trees provide shade, purify the air, enhance quality of life, and inspire poetry, but they also inspire many lawsuits. In this workshop Jim will provide participants with a framework to analyze tree law situations and help you decide if you are qualified to handle tree law cases. Topics to be covered include trees and adjoining landowners, trees and roadways, and rights and responsibilities of landowners and arborists including duty of care, negligence, and damages. Specific Iowa administrative statutes and case law will be illustrated.
