

# Iowa Arborist Association Planting Workshop

Come and learn the different techniques used by Iowa Nurseries to grow new trees.

*Heath Ellis, City of Pleasant Hill: Gravel Bed Systems*  
*Mike Bevins, Iowa Native Trees and Shrubs: Growing Native Trees with Root Pruning Technologies*  
*Tom Hughes, Hughes Nursery: Current Practices and Update on the state of the nursery industry*  
*Mark Vitosh, IDNR: Winter Tree ID Review*  
*And More...*

No lunch provided, but there are plenty of options in the downtown area as well as a sandwich shop in the library.

*9:00AM to 3:30PM, Friday, January 4, 2019 in the Beams B conference room in the downtown library in Cedar Rapids, IA (450 Fifth Avenue SE). Dress for the weather, we will go outdoors for the afternoon.*

**Cost is \$15, payable at the door. Limited to 75 seats. RSVP to [forestry@cedar-rapids.org](mailto:forestry@cedar-rapids.org) or go to [iowaarboristassociation.org](http://iowaarboristassociation.org) for more information.**
