The Certified Arborist recognition is given by the ISA to those who (1) meet the eligibility requirement for admission to the exam (including 3 years experience in Arboriculture or 2 years with a two or four year degree in a related field), (2) successfully complete the exam and (3) maintain the necessary number of continuing education units to recertify after three years.

Class registration deadline is July 28th, 2017. These classes will only be held IF we get 10 students signed up by 28th. If you are waiting to sign up until you know that the classes will be held - THEY WON'T!
